### About the Luxembourg Stock Exchange (LuxSE)

The Luxembourg Stock Exchange is the leading exchange for the listing of international securities. It offers a high quality and efficient listing service that meets the needs of international capital markets and their participants.

The long experience of the LuxSE in international securities combined with its established listing procedures attract a very wide range of issuers and financial instruments. Currently, the Luxembourg Stock Exchange has around 40,000 quotation lines, including some 26,500 related to bonds. These come from 3,000 issuers in 100 countries.

The Luxembourg Stock Exchange operates two markets: an EU regulated market, called the "Bourse de Luxembourg" market, and the Euro MTF, an exchange-regulated market. All securities are tradable on NYSE Euronext's UTP platform.

The LuxSE also operates a specialist subsidiary, Fundsquare ([www.fundsquare.net](http://www.fundsquare.net)) that provides services to substantially support and standardise cross-border distribution of investment funds.
